

## COERVER COLORADO ONE DAY CAMP – SATURDAY, MARCH 3

**“I wish the Coerver® Coaching Program had been available when I was young – it certainly would have made me a better player.” *Juergen Klinsmann, World Champion, Head Coach - U.S. National Team***

Coerver Coaching is a worldwide soccer skills teaching program. Coerver Colorado, the state’s affiliate, presents a variety of camps and other activities throughout the year. **The first Coerver camp in Grand Junction is scheduled for June 25-29 - Monday-Friday, 9AM-3PM.** (Another camp is scheduled July 23-27 in the Eagle Valley.)

You can read more about Coerver Colorado and the Coerver Method at <http://www.coervercolorado.com/>

**Grand Junction Soccer will team with Coerver to provide a One Day Camp from 9AM-3:15 PM on Saturday March 3, at Broadway Elementary School (2248 Broadway, Grand Junction 81507).** Space in the Camp will be limited to 75-100 players age 7-15. This clinic will be outside so dress appropriately. Bring a ball and wear shinguards).

**“Coerver® Coaching should be an essential part of any player’s development.”**  
*Anson Dorrance, Head Coach,  
1991 Women’s World Cup Champions and the University of North Carolina women’s team*

The One Day Camp is an introduction to the skills teaching that Coerver does on every continent (except the frozen one!) Every Coerver Colorado program follows a detailed written curriculum. This day features a variety of exercises to develop fast footwork and ball moves, several different 1v1 activities, and two of their best possession activities. In addition, the players will be introduced to the unique way that Coerver teaches shooting technique – something that will immediately improve the power and accuracy of the participants. Players will leave the Camp with lots of things they can continue to practice on their own. (There’s a handout.)

The One Day Camp is no less demanding than a day in Coerver’s summer camps. Those days usually have campers “asleep in the car on the way home” – but then fired up once they get home to get out in the yard and work on what they’ve learned.

**The cost of the Camp is \$40 and you will register at [www.gjsoccer.org](http://www.gjsoccer.org).** Campers will also receive a coupon good for a discount on any of Coerver Colorado’s 2012 Summer Camps.

**“I was appointed by Sir Alex Ferguson as Technical Coach of Manchester United because I was a Coerver® Coach. He and I feel that the Coerver® Coaching program is the top way of teaching technical skills.”**  
*Renee Meulensteen, First Team Coach - Manchester United FC*

**“The Coerver technique helps players advance. The consistent success of the Coerver method can be attributed to its unique and logical approach to the development of young players.” *Sir Alex Ferguson, Manchester United***
