

2012 Friday Night Finishing Clinic

About the Camp: This clinic will take place on Friday nights this spring, from 5:30-6:45. The focus will be all aspects of scoring goals. We will work on long range finishing, volleys, heading the ball, as well as other components of striking the ball properly and getting opportunities to score goals (dribbling, first touch, turning the ball, etc).

Groups within the clinic will not exceed a 20-1 player to coach ratio. The training sessions will be run by Shaun Howe and Danny Molineaux. This clinic will be open to players U11-U14 on a first come basis and consists of 7 sessions.

When: Begins March 23 and runs each Friday listed: March 23, 30, April 6, 13, 20, 27, and May 4. Make up if needed, will be May 25.

Time: 5:30-6:45.

Where: Canyon View – Ruby Field.

What to bring: Soccer ball, proper soccer attire and water.

Ages of participants: u11-u14 boys and girls.

Cost: \$60

Communication- All communication, if cancellation is needed, will be done through email and rained out text message program (check before leaving for training). When registering for this program please make sure we have current email that you check daily and if it changes, please let us know.
