

## Grand Junction Soccer Club

### U4-u8 Soccer Stars Winter Clinic

GJSC is excited to introduce a new format for our soccer stars clinic. These clinics will be run by staff coaches from the club. They will be 45 minutes long and will mainly focus on dribbling skills, balance and coordination, passing and receiving, and some small sided games. The sessions will be age appropriate and much of what is taught will be done through fun games. The main focus will be for the kids to have some fun, get some exercise and hopefully leave the program wanting to play more soccer.

Take a look at the table below, pick a time slot that works for you and corresponds with your child's age group.

**Soccer Stars Winter Clinic will run from January 9 – February 17**
