## Eudora Parks and Recreation

---

### Adopt-A-Park

Eudora Parks and Recreation Department's Adopt-A-Park program assists with keeping City parks clean and free of trash and debris.

Organizations, groups, and families are invited to participate in the Adopt-A-Park program. Each group is asked to pick up trash and debris a minimum of four times during summer.

Groups may select a park to adopt or department staff can assign one. Groups are then asked to select four dates during the summer to clean their park.

Parks and Recreation will provide trash bags for groups and also discuss safety issues when cleaning the park. Parks and Recreation requests groups to have at least one adult over the age of 18 assisting with clean up. Park clean up should be conducted during daylight hours.

Parks and Recreation suggests those participating to use the buddy system when conducting clean up. Please do not trespass on private property near park land and groups are not to interfere with others using the park.

Groups participating acknowledge potential hazards and assume risk of injury from natural or hazardous materials, including plants. Once groups are finished picking up their park, Parks and Recreation request all trash be placed together in a pre-determined designated area.

Those interested in adopting a park, please contact:
