Dear GJSC Families, Players, Coaches and Staff:

As president of Grand Junction Soccer Club, I'm delighted to introduce you to Dave Norton, the new executive director of our club.

Dave is a longtime resident of Mesa County. He's a former GJSC board member, a collegiate-level referee, and the parent and grandparent of GJSC soccer players. He's also a seasoned business, sales and management executive.

Your board of directors chose in March to hire an executive director. We have empowered that position to maintain fiscal discipline, and to oversee all coaching and operational matters of the club. We are grateful to Dave that he has accepted this responsibility.

Please join me in welcoming Dave to our soccer club. You can contact him at the soccer office (970-242-4550) or via his GJSC email address of dave@gjsoccer.org.

Best wishes,

Bruce Talbott
President
