Brief narrative on need for funds:

Grand Junction FC has limited financial resources available for those needing assistance with soccer registration fees. Families that receive funds may be asked to contribute volunteer time to the Fire office, tournaments, etc. Scholarship requests will be reviewed by the GJ FC scholarship committee and awarded on a financial need basis only. Requests will NOT be considered unless documentation is submitted to the league office with registration. Registration is not complete until committee approval. If you have extenuating circumstances, please provide documentation in writing to the scholarship committee.

**I affirm that the above information is correct.**
